

McBride Read, Meet, and Make Summer Reading Club

Welcome to McBride Memorial Library Virtual and Hands-On Summer Book Club. Summer reading will be divided into 3 different reading ability groups. You choose the group in which you are most interested in participating. Once signed up, you will receive a packet with the book(s) and 4 weeks of hands-on projects designed to go with the book. We will meet virtually once per week to discuss the book and show off our projects.

This year, we are keeping the book selections a surprise!

Picture Books-non readers and beginning readers-you will receive 3 books and one online selection

Kick Off to Chapter Books-initial chapter book readers-you will receive 2 shorter chapter books

Confident Readers-you will receive one chapter book

Participants will receive 4 packets for 4 weeks. Each week, you will read a portion of the book, choose the packet that corresponds with the week and make the item inside your packet. All supplies to create the item are included in the packet. Google meet codes are included with your packets so that you can log in and join the fun of an online experience or you can meet with us at McBride Library at your designated Book Club time. If you are unable to meet, that is alright too. You will still have all the supplies to participate.
